## Poly Roll-Off OR-1000™ 6300

### Overview:

Rain For Rent's 6,300-gallon Poly Roll-Off OR-1000™ tank is made from cross-linked polyethylene for superior durability, safety, and chemical resistance. It is an ideal storage solution for adding liquid capacity to tight job areas. The versatility of options for unloading this tank via roll-off truck transport and forklift, allow it to be placed most areas where other poly tanks cannot be easily positioned. The internal OR-1000™ lining is designed to hold up to some of the most aggressive industrial chemical storage applications.

### Features:

- 6,300gal (150BBL) high capacity storage volume
- Rotomolded XPLE seamless tank construction with OR-1000™ inner tank lining for superior chemical resistance
- Heavy duty steel tank cage allowing chemical storage up to S.G. 1.9
- Roll-off skid base with 6" x 12" Forklift pockets for easier transportation and loading/unloading
- Sealed 24" manways with 8" pressure relief vent for vapor tight storage applications
